

# Memorandum

## **“Business Advocacy Network”**

*Taking into consideration the role and importance of effectively implementing social-economic reforms in social and economic development of the country*

*Being sure that the development of private and specifically SME sector is an important guarantee for sustainable economic development and middle class formation of the country*

*Having an aim to insure the involvement of civil society and private sector in “public-private” dialogue, as well as in public policy development, implementation, regulation and assessment processes in the social-economic and private entrepreneurship sectors*

***We – the members of “Business Advocacy Network” express our will and readiness through this Memorandum, to unite our efforts and cooperate for implementing democratic social-economic reforms and developing private entrepreneurship in Armenia.***
